Range Mowing - is planned for September 30th. 19 acres will be cut, requiring 3-4 hours with at minimum of 2-3 people. Your help is really needed; please sign up.

Range Times for Shooting - 10am for a non-scheduled shoot and 9am for a scheduled shoot.

Early Shooters - It was decided at the July meeting, because of safety reasons, the following people will be shooting on the first relay: officers, board members, kitchen help, score keepers, those helping junior shooters, and anyone else who has a special case (emergency). Please see a range officer for permission to shoot early. All others are asked to shoot the second relay. Thanks for your understanding.

Junior Shooters - Please show consideration for our junior shooters, as the sport is difficult to master and, with proper guidance, our junior shooters will not only excel but become the future shooters and leaders of our club.

Kitchen - Sandy Storenelli has volunteered to be in charge of the Kitchen Committee. All new volunteers are always welcome. Please see Sandy for more details to become a part of the continuous great meals served at the AHC!

The Dart family would like to express thanks to the AHC for all the time, instruction and patience many members gave to their family during a special shoot for them. Please see their card posted at the AHC.

Special notes:

-Howard Ehrhardt had a serious fall. Please send him a card or give him a call.

-Be sure to see the Dart family thank-you card posted in the club house expressing their appreciation to the AHC.

Keep yer powder dry.
