February, 2007

**AHC Next Shoot** - March 4th. At our February shoot we had 20 shooters. With temperatures below freezing: Delicious homemade chicken soup, salad, robust chili and two mouthwatering poke cakes surrounded with plenty of cookies was gratefully received by the AHC. It did a great job of warming us all up!

**Our Kitchen crew** always does a wonderful selfless job every month, but it should be noted, they aren't paid for their efforts. They start early in the morning, stay late after the meeting and most times, prepare food days ahead; If you are able to contribute with a meal, ideas, or a dessert, please volunteer. Many helping hands.....lighten the job!

The 50/50 proceeds (decided at the AHC February meeting) will be donated to the Bob Cleveland Memorial Fund.

**March Board Meeting** - Discussion will be held regarding shoot day alterations in case of bad weather.

Due to extremely cold temperatures it was decided to change the February 4th shoot to February 11th. A few hardy souls who did not get the change in time, showed up anyhow and shot. Hats off to them!!!

**Backer Board Repair** - Postponed from February for warmer weather. With the many shooters we have in the AHC, backer boards are always in need of repair. Please help!

**Sick Call** - Please remember Bob Hartrick is recovering from knee surgery. Any cards or calls would be greatly appreciated.

**Boy scouts** - The range will be closed for a boy scout activity July 23-27. They will be using the range, woods and club house.

**Civil War Drill** - a practice will be held on May 26th at the range. Call Terry Schultz at 716-693-3237 if you're interested in joining.

**Sporting Clays** - Dave Feary was elected as the new leader of the sporting clays. Call him for info, times, etc at 585-343-3906.

**Blanket Shoot and Game Dinner** - March 18th - it was asked that people bring a prize, rather than just a \$10 bill.

**Gun Show** - April 28-29 (setup april 27). Please be sure to sign-up on the work party list which is located in the target scoring area of the AHC. Your help is always needed and appreciated. It's also alot of fun!

**Genesee County Conservative** - Jim Ferris still needs help - he'd like an alternate/backuk/helper.

**Water Pump Note** - Do not unplug the GFI !!! There is a switch on the power line to the pump. Turn the switch to off when you leave. Unplugging/replugging the GFI all the time caused it to burn out, and it was just replaced.

**Friends of the NRA Dinner** - The AHC has reserved one table for 10. Please see sign-up list if you are interested in attending.

**NRA Firearms and Safety Camp** - We are still looking for a volunteer to replace Ken Margrey to run the camp. Contact Jim Penland (716-434-6535).

**Junior Shooters** - All junior shooters will be required to shoot using the same positions as adults, if their scores are to count for the yearly aggregate. Junior shooters cease to be juniors on their 16th birthday. If you have any questions, see the CRO or a Board Member.

**Cowboy Action Shooting** - Bill and Jean Heschke (795-3303) would like to have an informational meeting March 4, 2007 after the regular AHC meeting, to discuss: shooting schedule set-up, firearms used, safety issues, scoring, clothing, etc. A "How to Video Tape" giving Tips and Techniques of Cowboy Action Style Shooting, will be shown. Please contact AHC members, Bill & Jean, for this fun sport!
