AHC Next Shoot and Meeting - August 8 (includes a postal match). At our July Shoot (Team and Family Rendezvous) we had 54 participants, many guests and Dema Erbacher won the 50/50. Dave Bernard and Paul Mangus planned a very intense and challenging course of fire for this annual novelty shoot that tested the mettle of all shooters! There were many teams, randomly chosen but equally matched; fast work and teamwork were required to shoot a variety of fixed and moving targets (more than 35) ranging from only a few feet to a hundred yards. If you weren't able to make it, you certainly missed a fantastic chance to sharpen your skills!

Shoot Results:

Victor Vedder's Team	First Place
Keith Decker's Team	Second Place
Paul Mangus's Team	Third Place

Special Thanks:

- Dan and Lyn Andrews for shopping many months for the awards provided at the July Shoot. They keenly observe our growing members and try to provide many useful prizes.
- Dave Bernard, Paul Mangus & Jim Penland for providing more variety and targets to shoot at (especially on the novelty board) than any other club.
- Tom Gielow and Howard Ehrhardt for grilling the endless streaks and chicken superbly.
- And to our Kitchen staff, for their unflinching efforts (from early to late), providing the final touches on everything, and always making sure there was plenty of food for all.

It was great to see all the guests and experience the many delicious recipes as well as the special cake made with the "gun barrel logo" on it! Takes good people to make a great club! Many thanks to all.

Sick Call: Please remember Lorraine Davis (membership) as asthma troubles, at times, keep her from attending AHC events. Nice to see past folks on this list, up and about, and looking much healthier!

AHC Work Party (June 24) Did you notice: the new improvements in the well cleaned kitchen - like a shade, curtains, extra fold away table? Or, the painted loading benches, repaired fence, new concrete step, cleaned windows and curtains and many other improvements to the AHC? Thanks to all who participated in this event. A lot has been accomplished and is always appreciated.
