Voted to let scope use club kitchen will provide a lunch

Allen will be looking into hats and nametags

Anyone interested in living history trip please contact Chris Pittler

Range officers please sign up to work

A strong body makes the mind strong. As to the species of exercise, I advise the gun. While this gives moderate exercise to the body, it gives boldness, enterprise and independence to the mind. Games played with the ball, and others of that nature, are too violent for the body and stamp no character on the mind. Let your gun therefore be your constant companion of your walks.

Thomas Jefferson Aug 19, 1785
