

**ALABAMA HUNT CLUB
SEPTEMBER 2013 MINUTES**

The meeting was called to order at 1:25 pm by President Alan Kraft and was followed with the Pledge to the flag. Both the secretary and treasurers reports were waived in the absence of Joan and Hank.

Membership: Brian Boyle, of 409 Park Avenue, Medina, NY 14108, sponsored by Sandy Stornelli, was voted in as a probationary member. Just a reminder, Lorraine will begin collecting **2014 dues** soon. They are now \$50.00 a year.

Brushhogging: Rules have changed in regards to the mowing of the property behind the berm for which we receive a yearly payment for. It used to be that 1/3 of it needed to be mowed at least once a year. Now rules stipulate that it cannot be mowed before August 15th. Thankfully, we generally don't do it until September. But just wanted members to be aware of the new rules.

Genesee Conservation Council:

- *A fishery in Livingston county will be closing. They provided 21% of fish used for restocking.
- *A private indoor shooting range in Bergen is scheduled to open sometime in November.
- *The "Repeal the Safe Act" lawsuit goes to court soon.
- *Wildlife Festival is September 28 & 29 at Godfrey's Pond. Volunteers are needed.

Public Shoot: is September 14 & 15. Help is needed to run range, sell targets and score. And Jean could use some extra hands in the kitchen as well.

Elections: Nominations for officers and Board Members will begin in October. If you're not happy with how things are running, here's your chance to get into a position to make changes happen!

THANKS! To Joan and Rick Hale for their generous donation – they had the furnace exhaust stack replaced.

Winter Heating: We're going to need donations of wood to burn during the winter months to heat the clubhouse. So if you have a spare block or two – it would be appreciated.

Friends of the NRA: The next Friends of the NRA dinner is scheduled for March 22, 2014. AHC usually has a couple tables of members attend. Start thinking about it now.

CD: Another \$5,000 CD has been obtained for the club. This makes three in all. This is money we are keeping set aside in case of emergencies or if our being able to continue with the gun show has to stop. These CDs will help keep us going.

Kalamazoo Living History Show: A couple years ago we attempted to get a busload to go out to see the Kalamazoo Living History Show in March. We were just three seats short of being able to do this. So we're checking to see if there is any interest in trying to get another busload to go out in March 2014. The show is March 15-16. We would probably head out on Friday, March 13th. If you're interested in going, please let Christine Pittler (716-772-2207) or Jim Penland (716-434-6535) know. Otherwise we may just do a convoy of cars out.....

MRGC Chowder Sale: The Middleport Rod & Gun Club's annual Chowder and Bake Sale is being held Saturday, October 5th beginning at 11:00 am.

Shoot results were given and the meeting adjourned.

NEPR: There will be a 2014 NEPR meeting following the regular club meeting on October 6, 2014.
