

June 15, 2017

Happy June to all,

We had 35 excited shooters at the annual Club Clangor Shoot. Moose and Gary Sanford came in on Saturday to set them up. Everything set up at different yardages, all doable except the close ones, which you know you can hit, but didn't.

The July Shoot will be the team shoot on the 9<sup>th</sup> of July. Shooting starts at 10:00 so be at the Club at 9:30 so teams can be set up. John Szumigala is looking for suggestions or ideas for targets. The aggregate prizes will also be awarded. Jean asks that you bring a dish to pass. Hot dogs and hamburgers will be provided.

The Public Shoot had 28 shooters with 161 targets sold.. Sam thanks the range officers that worked the shoot. Also, again this year the guys from Painted Post that come every year to shoot donated their winnings back to the Club. They said they just come for the food.

The Gun Show discussion is still on. The Club discussed having a Show in the fall if they could find a venue. Sam and Bob checked out the Quality Inn and Batavia Downs as possible locations. A suggestion was made to postpone the Show until the fall of 2018. The Quality Inn has the space, the parking, and some perks. The Club discussed having Sam look into reserving the Banquet rooms at the Quality for Sept. 7-8-9 2018. Also, Moose is asking for someone to step-up and chair the Gun Show. Remember, the money we make from the Gun Show is what keeps the Club alive.

Our Insurance Company is requesting all participants in anyway to sign a liability release. This is a one time signing that does not take your legal rights away from you. These forms will be located on the counter by the shoot sign-in sheets. Please sign them and leave on the counter. I also have copies.

**RANGE SAFETY TIPS:**

**#1230 OPEN POWDER CONTAINERS:** There will not be any open containers of powder on the firing line or loading benches of any range.

**#1150 LOADED FIREARMS:** No loaded firearm shall be taken from the firing line. ( In AHC's case, No loaded firearms shall be taken from the range.)

I just realized that I didn't use the AHC heading. Oh, well!

Have a good June .
